NOTE:

ABOUT US

Rococo is a trustworthy name when it comes to providing comprehensive IT solutions. We at Rococo are a team of young, dynamic and promising individuals who are enthusiastic and capable of creating tools, which add value to our clients' enterprise. We have been involved in IT resourcing, support, consulting and security with various clients globally. Rococo has the exposure to various industries viz. Food and Beverages, Healthcare, Business outsourcing, Education and Manufacturing.

We take pride in announcing our success in launching industry specific tools and applications such as Hotel Management System, School Management System, Beer app (Restaurant Management Tool), Supply Chain Management and Hospital Management System. The solutions provided by us are tailored us per the specific need of the customer. Our expertise lies in understanding the client's exact requirements and providing solutions as required in a cost effective manner.

We believe in doing business in a win-win scenario where the client and us both are in a profitable situation. We also provide after sales support, which may include implementation, training and optimization. As IT is an ever-evolving industry we pledge to be constantly updated with the latest technologies. Our internal quality systems are stringent enough to regulate our internal working systems for achieving outstanding products and services
